

Technical Data Sheet

PRODUCT DESCRIPTION:	<p>Bore-Seal is a blend of natural plant fibers. These deformable and compressible particles conform to the shape of pores and fractures to provide a bridge and a primary seal against loss of drilling mud.</p> <p>Bore-Seal can be used as a standalone product, or in conjunction with Right Turn Supply's other proprietary lost circulation materials to combat lost circulation/inadvertent returns. These pills may be used in sweep fashion or spotted down hole to create a lasting seal. Typical concentrations range from 1-2 sacks per 50 gallons.</p>
