### **People | Products | Partnerships**

At Right Turn Supply, we only partner with the best, which is why we are proud to announce that we are now an exclusive distributor of Wyo-Ben products, Max Gel and Max Bore. This partnership is designed to satisfy all your needs regarding a reliable supply of high-quality bentonite. With our trusted distribution channels, we ensure that your supply chain of Wyo-Ben's Max Bore and Max Gel remains strong, stable, and prepared for any challenge.

Wyo-Ben is a recognized leader in the production of Wyoming bentonite. Their minerals are used in industries such as oil, gas, water wells, environmental construction, hazardous waste treatment, and more. As a premium producer of sodium bentonite, Wyo-Ben is known for its exceptional quality, service, and availability—the values we seek in our trusted partners.

Right Turn Supply is proud to offer Wyo-Ben products because of our shared dedication to excellence. Together, we are committed to providing exceptional service and products that meet the needs of our partners and customers.

“Wyo-Ben has a long-standing tradition of creating innovative products that enable customers successful jobsite production. Besides great products, Wyo-Ben also utilizes great distributors. This partnership will enhance the experience of the end user well into the future. We are excited that customers will be able to purchase Max products and leverage the high-quality support from Wyo-Ben, Right Turn Supply and Vermeer to maximize the productivity of every jobsite. We appreciate this strategic partnership and are excited about what the future holds.”

- John Lamerton, VP Sales and Marketing at *Wyo-Ben Inc.*

We look forward to providing products that will promote the success of the Vermeer Dealer Network, as well as your partners and customers.

Thank you,
